WhatsApp Voting Guide

EPPF 2023/24 Board of
Trustee Elections

Receive Info & Your Credentials

Each member will directly receive an email notice or an SMS that contains information about the BOT election, the rules of the election and the voting process. The notice will also contain:

**A WhatsApp number, a WhatsApp link
and your Unique Voting Access Key**

Please read the email or SMS carefully and look for your Access Key. Keep the Access Key safe for later use

What is an Access Key?

The Access Key is a continuous string made up of 6 alpha-numeric characters. It is unique to you and is linked to your profile for Voting. It can be used only once. The Access Key is a secure way of uniquely identifying you.

See an example of the Access Key below:

Ag12bC

The Access Keys are generated independently by the Independent Electoral Officer (IEO) and sent directly to you. The IEO is KDBS Consulting, which has been appointed by EPPF to independently manage the electoral process.
